Mission

Working together to achieve excellence for all students.

Vision

Sultan School District students will graduate with the tools necessary to prepare themselves for post-graduation life. They will have the capacity to make informed decisions to find answers to life's challenges and be contributing members of our community.

Goals

- *Culture: Engage in practices that align with developing a healthy, dedicated, and effective organization centered around student growth and learning.*
- *Curriculum: Ensure a guaranteed and viable curriculum is implemented for all subject areas at all schools.*
- *Social-Emotional Learning: Implement and integrate age-appropriate social-emotional learning opportunities for all Sultan School District students.*
- *Early Learning: Identify and implement pre-kindergarten programs and learning opportunities to prepare incoming kindergarten students and close the achievement gap.*
